

THE NATIONAL EXERCISE & SPORTS TRAINERS ASSOCIATION EXECUTIVE CERTIFICATION BOARD

Report of Conduct Violation

In order to ensure the validity and professional meaningfulness of the NESTA PFT Certification and processes, certified and non-related or non-certified individuals are asked to report concerns of ethical or professional misconduct by NESTA Certified Personal Fitness Trainers to the Executive Certification Board's Policies and Procedures Committee for consideration. This will help to ensure the professional fitness practice of NESTA Certified Personal Fitness Trainers and fair treatment for public members, employers and clientele.

All involved parties either reporting ethical or professional misconduct or accused of such misconduct will remain private and undisclosed to any other individual or entity unless legal ramifications require such disclosure. Factual evidence must be discovered and revealed in order for any disciplinary action to be mandated by the Executive Certification Board.

All responses to the Executive Certification Board (ECB) regarding professional and ethical misconduct must be in writing. Correspondences from the ECB will also be provided in writing.
